Here's an Unusual Way to Impress Upon You the Great Value You Receive in Your New Ford

**For Sale!**

Brand New 1930 Model

**Automobiles**

**21¢ lb.**

It seems almost incredible, but this is the price you pay when you choose the new Ford Tudor Sedan at \$500 (F. O. B. Detroit) weighing 2375 pounds.

The new Ford Roadster is priced even less at approximately 20¢ per pound... the stake body Ford Truck averages slightly more than 18¢ per pound.

When you consider value from this angle you can readily conceive how much more for your money you receive in the new Ford. Never before has such a precision-built automobile embodying so many modern features been offered at such low prices. Let us give you a demonstration.

**METHODIST SUNDAY SCHOOL**

Sunday, April 6, was Evangelism Day in the Sunday School and this week is Evangelism Week. By this is meant the helping of your friends to make their decisions concerning their church before next Sunday which is Decision Day.

The first part of the Sunday School was taken up by singing hymns which were led by Mr. Applin accompanied by Gladys Baker on the piano, Viola Lamb on the clarinet, and Wayne Wikom and Howard Thayer on the cornet.

Mr. Butterfield, the retired superintendent, visited the school for the first time since his retirement and gave a short address. Mr. Whit, superintendent, announced that Mr. Butterfield had been elected superintendent Emeritus which means superintendent retired with honor.

Sunday night the girls of Miss Andrews' class served a Lenten luncheon during which Mr. Lee presented a short illustrated talk on Oberammergau and the Passion Play to be presented this year.

**IN MEMORIAM**

**WALLED LAKE EXCHANGE PAST LEADERS HONORED**

Six past presidents of the Exchange Club of Walled Lake were presented with past presidents' buttons at a dinner dance at the Twin Beach Country Club Tuesday night, and Clarence A. Chafy was given a 100% button.

The presentation was made by John J. Super, governor of district No. 1 of Michigan. Mr. Super made the presentation following a short talk on "Exchange." The former executives presented with buttons were Ira S. Carnes, Arthur R. Green, Maynard G. Post, Jacob L. Taylor, Elmer L. McQuern and Esle V. Mercer. Buttons for Glen Buffmyer, who was first president and Ray Riley will be presented to these men later as both were absent.

Clarence A. Chafy was given his 100% button for perfect attendance record, never having missed a meeting since the formation of the Club, technically. He did miss one Walled Lake meeting, expecting to attend the meeting of the Bay City Club, but could not because of an error by a hotel clerk at Bay City where the Exchange Club was meeting. As the error was not his the rules of the organization give him credit for attendance at the meeting. Tuesday night was his 222nd consecutive meeting.

A feature was dancing and singing of nine girls from Farmington under the direction of Miss Gladys Baker. Miss Baker is a resident of Walled Lake in the summer.

Don Patterson, Mrs. Earl Parris and Eric Cooper furnished music for the evening. Dancing followed the program.

The entertainment committee was J. L. Taylor, E. L. McQuern and Glen Buffmyer. Thirty-five Exchangeites, wives and guests were present.

**MARILYN MILLER, NANCY CARROLL, AT THE KUNSKY**

One of the greatest combinations of comedy talent ever seen in a motion picture will be viewed on the Kunskey-Redford Theatre screen next week when "Sally" is shown, Friday and Saturday, April 11 and 12.

"Sally" is adapted from Miss Miller's greatest stage success, and is a First National and Vitaphone picture entirely in color. It is also Miss Miller's first picture.

After twelve pictures, which include some of Paramount's biggest hits, Nancy Carroll, red-headed, dancing, singing screen-player, will be seen at the Kunskey-Redford Theatre, starting on Sunday, April 13 for three days, in her first starring picture, "Dan gerous Paradise." It is a gripping story of South Sea love and adventure from incidents in a novel by Joseph Conrad.

It is safe to say that no picture that has come out of Hollywood in recent years has as many ingenious camera angles as Norma Talmadge's "New York Nights," playing at the Kunskey-Redford Theatre, Wednesday and Thursday, April 16 and 17.

One of the most interesting scenes was taken from an altitude of forty feet straight down on a circular "love couch" where twenty couples were sitting. Accompanied by the recording microphone, which was tacked to it, the camera glided down from the height, paused over the group and travelled the extent of the room where some hundred or so extras were gathered.
