

The Latch-Key

Published by the Journalism Class of Farmington High School
Vol. II, No. 33. Thursday, May 15, 1930

EDITORIAL

The close of the school year is approaching and it will soon be time to elect a president of the Student Council. Helen Westfall, a senior, is the retiring president.

The student council is a legislative body of ten members selected from the four grades of the high school by the respective classes themselves. These ten students begin their term in the fall of the year.

However, it is the policy of the school to elect the president for the organization before school closes the previous spring. The entire student body votes.

The council under Helen has done a great deal of work this year. They have handled the entire athletic program and, among other things, have purchased some new equipment.

It is the duty of every student to begin thinking about a candidate whom they wish to nominate at the coming election. It is a serious problem to put the right person in the chair. Somewhere in the student body there is a candidate who could handle the position effectively. It is time to select your candidate now.

SNAP SHOTS A FEATURE

The second Annual Review Edition of the Latch-Key will contain many added features not in the first edition.

On the back page there will be 20 snapshots taken throughout the year of school people and happenings.

The three lower classes are to have group pictures taken, which will appear in the paper. Hereafter only the senior class picture has been printed.

TRITON THINCLADS TAKE 10 1/2 POINTS

Rochester won the track meet at Ferndale last Saturday by easily winning points in every event. But the team Farmington entered showed improvement.

McCully scored most of Farmington's points; he won the 120 yard low hurdles and got fourth place in the high jump and the 100 yard dash. The only other entrant to make any points for the Triton Thinclads was Jylene; he came in second in the javelin throw. Altogether Farmington scored 10 1/2 points.

TRITONS OUTPLAY ROCKS

The Tritons squeezed out another baseball victory last Friday by defeating the "Plymouth Rocks" 4 to 3 on the home diamond.

Russ Nacker pitched airtight ball and the fielding of the team was greatly improved. The Blue and White team collected only five hits off Ferguson who did the mound work for Plymouth, but Plymouth got only four hits off Nacker, and he struck out four men while Ferguson fanned three.

It was a pitching duel from the start. There were only three earned runs, two for Farmington. The Rocks made three errors and the Tritons two.

The Tritons pushed over a run in the second; Measell got to first on an error and Turner hit a triple scoring Measell.

Plymouth scored one run in the third and two in the fourth, which ended their scoring for the day.

In the third inning the home team scored three runs.

GIRLS' NINE DOWNED BY HAZEL PARK SQUAD

The girls lost their second game when they lost to Hazel Park here Thursday by the score of 9 to 1.

The team played a fairly good defensive game, but when their team mates got on the sacks they were left due to poor hitting by the blue and white team. The only score came in the second inning when Krutem got a hit and scored on another one.

The longest hit by any Farmington girl was a triple by Lucille Jacobs; she should have had a home run but she missed the third base bag and had to get back and touch it and by that time the ball was in the infield and she had to remain on third.

GOLF TEAM LOSES

Wayne's crack golf team swamped the duffers from Farmington, Monday 10 1/2 to 1 1/2, on the Birch Hill course. Bob Priesorn starred for Wayne, he turning in a card of 78 and scored three points for his team.

The only point maker for Farmington was Joe Gravelin, who split the 3 points evenly with his opponent.

Wayne won the championship

of the Suburban League last year and they have all of their players back this year.

A strong wind was blowing across the course and the greens were so fast that the Farmington boys had many three-put holes. The team has now lost two matches and tied one.

TIE IN GOLF MATCH

Plymouth's golf team tied the Triton golfers Tuesday of last week on the Maple Ridge course, each team getting six points.

Fendt and Lapham played the best games for Farmington; Lapham got three points and Fendt two and a half. Cox made a half point and Gravelin's opponent took all three points from him to tie the count.

STRANGE AS IT SEEMS

Ray Fendt got out twice in one inning at the South Lyon game. He struck out the first time and rolled out the second.

In a practice game Marvin Turner knocked out a short fly back of shortstop. Both Parker and Nicholson (playing left and center field), went after it and collided, the ball hit Parker's glove and bounced high into the air. Cox who was standing near by caught the ball and made the nutout. In a game Parker would have been credited with an assist.

PERSONALS

Marjorie Atkinson, a junior, left Saturday, May 3, with her parents, for a five weeks' trip to California.

"The Stein Song" of the University of Maine, has been obtained for the band.

Lena Sheppo, a sophomore, is confined to her home with scarlet fever.

A photographer was here Wednesday to take pictures of twenty groups of clubs and classes for use in the final edition of the Latch-Key.

H-Y MEETING

The H-Y held their monthly meeting last Monday morning.

The roll call was called and a statement was made by the treasurer who reported a bank balance of a little over \$9. The Y. M. C. A. are giving a scholarship to the Oberlin College which is open to any H-Y senior. The Leaders' Conference which is to be held in Flint was discussed and the club were enthusiastic about sending Mr. Crawford.

CLASS MEETINGS

Class meetings were held Friday, May 9, to decide whether or not the classes wanted their pictures taken for the special edition of the "Latch-Key."

A Senior class meeting was held to make the invitation list for the "Senior Prom."

ASSESSMENT DISTRICT

ROAD No. 123

(SIX MILE RICHMOND)

HEARING OF OBJECTIONS

Notice of Hearing of Objections to the Proposed Improvement under Act 25, Public Act 1925, as amended, of Assessment

District Road No. 123

To all persons interested in said proposed improvement and to the Township of Farmington and Southfield and to the County of Oakland at large: Whereas notice was filed with us as the Board of County Road Commissioners of Oakland County, State of Michigan, praying for an improvement of a highway traversing the said township and being within the proposed assessment district, said highway being as described as follows: The Six Mile Road (so-called) West along the line between sections 24 and 25 of Township 25 North and Range 23 West, and between sections 24 and 25 of Township 25 North and Range 23 West, and between sections 24 and 25 of Township 25 North and Range 23 West, and between sections 24 and 25 of Township 25 North and Range 23 West, all in Oakland County, Michigan, to the intersection of said road with Grand River Avenue (so-called); and

Whereas, we have made our first hearing of objections to said proposed improvement, and a survey and specifications and estimate of the cost thereof to be made and filed with us as such Board of County Road Commissioners at our office in the City of Farmington, Oakland County, Michigan, and State of Michigan, and we are, and we will not be made final until after the hearing of objections to the same by all persons interested therein; and

Whereas, we have determined the boundaries of the proposed assessment district for the improvement as described as follows: Beginning at the S. W. corner of Section 26, Farmington Township, Oakland County, Michigan, thence northerly on the section line between Sections 26 and 27 to the intersection of the east and west 1/2 line of Section 26, thence easterly on said 1/2 line through sections 26 and 27 to the intersection of the east line of Section 26, Southfield Township, thence southerly on the east line of Section 26, Southfield Township, thence westerly on said 1/2 line through sections 26, 27, 28, 29, 30, 31, Farmington Township to the intersection of the west line of Section 26, thence northerly on the west line of Section 26, to the northwest corner of Section 25, the place of beginning.

Whereas, it is proposed to improve said road or highway with a Class "B" concrete road, 20 feet in width, together with the necessary and proper gutters, bridges, drains and grading, under the provisions of an Act entitled "An Act to provide for the construction and improvement of highways, to borrow money therefor and the estimation and collection of taxes

for the construction thereof, and to limit the sums of money to be paid by counties for highway purposes" being Act 25, P. A. 1915, as amended; and

Therefore, all land owners of the lands within the above described boundaries of the townships of Farmington and Southfield and to the County of Oakland at large are hereby notified that on the 23rd day of May, A. D. 1930, at 10 o'clock, a. m., Eastern Standard Time, we will be present at the N. E. Corner of Section 26, Farmington Township, Oakland County, Mich., for the purpose of hearing objections to the proposed improvement. All owners of land within the above described boundaries, in the townships of Farmington and Southfield and the County of Oakland at large and the townships of Farmington and Southfield at large are hereby notified that it is the intention of the Board of County Road Commissioners of the County of Oakland to assess all lands within the proposed and above described boundaries, the County of Oakland at large and the townships of Farmington and Southfield at large for the benefits derived on account of the improvement of said highway according to the plans and specifications on file at our office in the City of Farmington, Oakland County, State of Michigan.

Given under our hands this 25th day of April, A. D. 1930.

L. D. ALLEN, Chairman.
ISAAC ROSS,
HOWARD C. HILLMAN,
Board of County Road Commissioners of the County of Oakland.

It is claimed that everyone should be fingerprinted, and anyway we are getting the foot prints of the kids in our gardens.

FUNERAL SERVICE IS HELD FOR WIXOM MAN

The funeral of Ellsworth Bryant age 54, of Wixom was held on Wednesday. Burial was in the Wixom Cemetery. Mr. Bryant died of injuries sustained when the car in which he was riding struck a bridge abutment near Ann Arbor Sunday evening. He died a short time after the accident in the University Hospital at Ann Arbor.

He is survived by a daughter, Mrs. Isabel Gledit of Wixom and two sons, Ted and Leo. The body was taken to the Richardson-Arms funeral parlors at Milford and the funeral service was held there with Rev. J. W. Tolly officiating.

NEW DOUBLE-DECK TRUCK

A new double-deck type of trailer truck, recently introduced by the Oakland Motor Car Company to carry automobiles from factory to dealer, has a capacity of six cars of which three are raised to their "upper berth" by an ingenious built-in elevator.

BEFORE YOU BUY A NEW STOVE SEE THE ELECTROCHEF

ELECTROCHEF helps to modernize your present kitchen. And if you are building a new home, you won't want it to become out-of-date in a few years because you did not install electric cooking. Install an ELECTROCHEF NOW.

Today in the United States a million households are cooking with electricity. Before you buy a new stove, arrange for a demonstration (at any Detroit Edison Office) of ELECTROCHEF superior cooking at low cost. ELECTROCHEF brings a cleaner, cooler, pleasanter cooking—modern to the minute. Week by week hundreds of women are enthusiastically adding ELECTROCHEF to their kitchens.

Count these advantages: electric heat, as clean as sunlight; an all-white porcelain range, as easily cleaned as a piece of china; cooking speed, with focused radiant heat—snap the switch and start to cook; safety—no flames, no matches; and finally, delightfully cool cooking—clean cooking; no hot kitchen, no blackened pots and pans,

no smoke, no dirt, no soot to deposit on kitchen walls and curtains! With ordinary care in the control of heat, cooking with ELECTROCHEF costs but a fraction more than cooking with the cheapest fuels. ELECTROCHEF, with its smooth, gleaming surfaces and softly rounded curves, is a beautiful piece of kitchen furniture that you will be proud to show your friends.

Electric cooking imparts a delicious flavor to foods—meats and vegetables cook to melting tenderness in their own juices—with all their natural flavors sealed in. ELECTROCHEF's light, fine-grained cakes and flaky pastries will delight you; an accurate oven control of temperatures from 250 degrees to 600 degrees makes consistent baking easy.

ELECTROCHEF—the inevitable cooking method: As modern as the electric refrigerator, the electric washer, or the electric ironer—as desirable as electric lighting—this remarkable stove brings clean, cool, healthful cooking. Install an ELECTROCHEF now and modernize your kitchen!

It is EASY TO OWN an ELECTROCHEF!

\$10

DOWN PAYMENT

puts an ELECTROCHEF in your kitchen—installed, ready to cook. This includes all necessary wiring. Balance \$6 per month. Cash price installed, \$105.
