Why Worry?

The man who can look to a saving account has many barricades against personal financial disaster or troubles. This is a good time to start a savings account—it means only a few dollars out of your salary each month, and added up, is the difference between peace and happiness and worry and

"Something Wrong"
Surely there is something wrong with our educational economics here. You will probably have the opportunity to vote with in a few pears on the question of removine local boards and wiping out school districts in Michigan. "We shool districts in this county for one. Whether in this county for one. Whether in this county for one. Whether in the country law would rade the 700 members of school boards for only seven on the county politicians. There is absolutely no relation between ducation and the ability to play the game.

"A centralized business administration would be another advantage."
