

The Latch-Key

Published by the Journalism Class of Farmington High School
Vol. II; No. 35. Thursday, May 29, 1930

EDITORIAL

The senior class of 1930 began work last fall to obtain funds for their Washington trip. They had on their hands a debt of \$30 and had money standing out of a vanilla campaign.

The first semester was a gloomy one. Money came in slowly, projects did not come up to expectations.

Nevertheless they made good. Over one thousand dollars were turned into the treasury before March 15. A most successful trip was enjoyed in and about our National Capital.

At the present date they have \$25 left in their treasury. Now they are attempting something larger than any other class has ever tried in Farmington. They are to hold the annual Senior Prom in the Northville Golf Clubroom.

Whether they can make both ends meet one could only prophesy, but judging from their past work it is doubtful if they will fail. Should the seniors successfully sponsor this event they can pat themselves on the back for what they have accomplished throughout the year.

ASSEMBLY PROGRAM HELD

An assembly program which was sponsored by the Latch-Key staff in order to put before the student body the plan they have worked out to sell the final editions of the Latch-Key was held Monday at 10 o'clock.

Miss MacKellar, the advisor of the class, introduced the editor of the paper, Philo McCulley, who told of the features that this paper has and of the pictures of all classes and groups; "Dick" Fox, circulation manager, presented the plan. The high school is divided into fourteen groups, each one having a leader and nine members. These leaders are to get subscriptions from their group. "Dick" then called on the leaders to read their lists.

To conclude the program, Miss MacKellar announced the annual Honor Banquet to be given June 12 by the P. T. A.

GIRLS LEAGUE BANQUET

The annual Girls League banquet was held Wednesday, May 28.

Virja Jean McCafferty acted as toastmistress. The theme of the entire program was the Chest. The principal speaker was Mrs. Harrison Johnson, whose topic was Secrets. Virginia Bostwick spoke on Ambitions; Rosetta Cairns, the last speaker, spoke on Problems. The banquet ended with a duet sung by Virginia Otis and Roberta Russell.

GIRLS WIN MATCH

Another Farmington victory went down in the records of the minor sports when the girls' tennis team turned Royal Oak back 2 to 1.

The singles were won by Eleanor Perry and Mary Ellen Finn without much difficulty. Eleanor's games went into the third set but she finally overcame her opposition.

Roberta Russell and Virginia Otis played the doubles although it was not necessary to win the match. They were defeated in two sets.

DEFEATED TWICE IN WEEK

The boys' tennis team suffered two defeats during the week ending May 23. Tuesday Royal Oak trounced them 3 to 0 and Thursday the Blue and White were able to score only one point against Rochester.

Glenn Werner and Louis Maas played singles and doubles in both games. Thursday Glenn won his singles match while Louis lost his. They were unable to win the doubles.

REDFORD IS AGAIN BEATEN

Farmington has again defeated the high school nine of Redford. They did it again last Monday on the home diamond, defeating the Huskies 7 to 4.

A little while ago the Tritons took a game from Redford 2 to 1, but the second game was no pitchers battle as was the first. The Blue and White team annexed eight hits and seven runs. The team batting average for the game was .308.

Redford took an early lead getting two runs in the first inning and another in the third. Redford scored their first two runs on a single and home run.

The Tritons came back strong in the third inning and scored three runs.

Redford held a one run lead until the fifth when the Tritons drove the bases and a single flipped in two runs. Two more

runs were scored in the sixth to give Farmington a comfortable lead which was held until the end of the game.

In the seventh inning two singles and a stolen base put Redford men on second and third. The next batter knocked a fly to Turner, the runner on third attempting to come home, was thrown out at the plate. The next batter knocked a foul fly which McCulley pulled in for the last out of the game.

PERSONALS

Because Mr. Bisbee, six-grade teacher and tennis instructor was at a tennis match Wednesday afternoon, Donald Walters, a senior taking the sixth grade, took John Brand, a junior, his left school. His parents have moved to Holly.

NORTHVILLE'S ERRORS WIN FOR TRITONS

The Triton baseball nine have added another win and have now won seven games and lost but three. Thursday's victory over at Northville made the seventh for the Blue and Whites. The final score was 6 to 1.

Russell Nacker was the star of the game, and pitched the best ball he has pitched this year. He sent eight Northville batters back to the bench on strikes and turned them down with only two hits. The one Northville run was earned. Stuckey's error in the second inning permitted a runner to score from second.

Farmington got only five hits off Johnson, Northville pitcher but a couple of wild pitches and several errors permitted Farmington to score their six runs. The team batting average for the game was .172.

The Triton's scored their first run in the fourth; two more in the fifth, and three in the seventh.

Farmington had two errors charged against them, but Northville had six.

The next league game, which is the last, will be with Lincoln Park next Thursday here.

GOLFERS BEAT DEARBORN

The golf team came through with another victory last Wednesday by defeating the strong Dearborn team 7 1/2 to 4 1/2, with Lapham and Fendt starring for Farmington.

The match was played on the Maple Ridge course. Both Lapham and Fendt collected three points from men who took point from them earlier in the season when Dearborn defeated Farmington, 10 1/2 to 5 1/2.

Joe Gravelin collected the other point and a half. The next match will be with Plymouth. Plymouth and Farmington played a tie match earlier in the season.

MOTTO ON "SOMEBODY"

The motto on the bulletin board this week is:

Somebody did a golden deed.
Somebody proved a friend in need.
Somebody sang a beautiful song.
Somebody smiled the whole day long.
Somebody thought it sweet to live.
Somebody said "I'm glad to give."
Somebody fought a valiant fight.
Somebody lived to shield the right.
Was that Somebody you?

THIS WEEK A YEAR AGO

Farmington baseball team was defeated twice in one week losing first to Roosevelt high of Ypsilanti 9 to 5 and in the final game of the season with Plymouth 6 to 0.

The girls baseball team also lost their game to Rochester, 11 to 11.

The golf team won its fifth victory from Plymouth 9 1/2 to 5 1/2. Captains were chosen for next year's teams. Cox to head baseball, Lapham to head basketball, Wayne Wixom led the eighth grade in scholarship, having an average of 97.5. Helen Borchart came next with an average of 96.4. The Senior Prom which was held May 24 was attended by 70 couples.

The Hi-Y and athletes of F. H. S. gave a banquet for Mr. Brethour.

In Hundreds of Homes Week by Week Women are Enthusiastically Adding ELECTROCHEF to Their Kitchens

A million families in the United States are now enjoying electric cooking. Week by week hundreds of women are enthusiastically adding the ELECTROCHEF Electric Range to their kitchens. Electric cooking brings more tasty cooking, a clean kitchen, a healthful atmosphere, greater convenience, less work. Yet it is not expensive. With ordinary care in the control of heat, cooking with ELECTROCHEF costs but a fraction more than cooking by any other method.

Install ELECTROCHEF in your kitchen NOW and enjoy this cooler, cleaner, pleasanter cooking, with electric heat as clean as sunlight. ELECTROCHEF is finished in all white porcelain and never-rust mirror-like Chromeplate and is as easily cleaned as a piece of china. With smooth gleaming surfaces and modern lines, ELECTROCHEF is a handsome piece of kitchen furniture that you will be proud to show to your friends!

Electric cooking retains delicious flavor in foods. Meats and vegetables cook to melting tenderness in their own juices—with all their natural flavors sealed in. Vegetables cook with the addition of very little water—half a cup is ample. The ELECTROCHEF oven has no vent! It is semi-sealed and practically self-basting, like a pressure cooker. ELECTROCHEF's light, fine-grained cakes and flaky pastries will delight you. An accurate oven control makes consistent baking easy.

Many people ask how ELECTROCHEF can be offered at the low figure for which it now sells. ELECTROCHEF is being introduced at this price because of The Detroit Edison Company's desire to encourage electric cooking in the homes of its customers. It is only possible because of long planning by engineers and the use of mass production methods. See this remarkable range today—at any Detroit Edison Office.

If it is EASY TO OWN an ELECTROCHEF! \$10 DOWN PAYMENT puts an ELECTROCHEF in your kitchen—installed, ready to cook. This includes all necessary wiring. Balance \$6 per month. Cash price installed, \$105.
