FOOD

Worth Eating

There are many different grades of foodstuffs, just as there are many different grades in anything else that you buy.

Most folks are able to tell the difference and they insist on something good. Others buy an article because it appears to be cheap and get only what they pay for.

We sell foods that are worth eating, worth enjoying and worth every cent of the price you pay for them.

TAKE A LITTLE VACATION

From Your Kitchen Range

Here is your chance to obtain a complete electric cooking service at a sensationally low cost.

Without having to tend the cooking, you can roast the meat, cook the vegetables or pudding in the Everhot Electric Cooker - using economical lamp socket current. Saves work and keeps the kitchen cool.

Easy as A - B - C

Simply put in the meal, turn on the current and no further attention is needed. Cheapest meat cuts are made tender and palatable because cooked with less water and in their own juices. Food flavors are vastly improved.

When touring or picnicking take wholesome, appetizing, hot home-cooked food with you in the Everhot Cooker. It is easy to carry as an ordinary lunch basket, yet it contains a wholesome hot meal for the family.

LOOK!
