

CHURCHES

Evangelical Church
Rev. A. A. Soden, Pastor

Pentecost Sunday.
The 19 hundredth birthday of the Church.

Sunday School, 10 a. m.
German-English service, 11:15.
No evangelical christian should miss this service. The annual District offering will be received at this time.

Union Pentecost service at M. E. Church.

This church will conduct a Daily Vacation Bible School for three weeks, five forenoons every week, beginning June 23. Any children between the ages of 3 to 15 are eligible.

Our Lady of Sorrows Church
Rev. James A. Callahan, Pastor

Sunday masses at 7 a. m., 8:30 a. m. and 11 a. m.
Daily mass at 8:00.

Clarenceville M. E. Church
Rev. Robert Richards, Pastor

10:30—Morning worship.
11:30—Sunday School.
7:30—Evening service.

Baptist Church
Rev. E. W. Palmer, Pastor

Children's Day.

11:00—Combined service of Church and Bible School. All parents are asked to note this change in time. The Pastor will bring a message in keeping with the day. The regular Children's Day program will be presented. There will be a dedicatio service for babies as part of this service.

6:30—Young Peoples Hour.
This is the last Sunday of the attendance contest. Be present and help us beat Plymouth.

7:45—Union Pentecostal celebration service at the Methodist Church. Everyone is invited. The Christian Churches the world around will celebrate the 100th anniversary of the founding of the Church.

St. Paul's Evangelical Lutheran Church, Clarenceville
(At Switzer Road)
Rev. Paul Graupner, Pastor

9:30—Sunday School.

10:30—English service.
In the afternoon our church and school picnic on the church grounds.

St. Martin's Episcopal Mission
Lenore Ave. 3 blocks south of Grand River. Five Points

Morning service, 10:30.
Sunday School, 11:30.

Methodist Church
Dr. H. Addis Leeson, Pastor

The subject of Dr. Leeson's sermon on Sunday morning will be "The Spiritual Glow." Very special and appropriate music by the chorus-choir will add to the meaning of this day of "sacred memory" known as Pentecost Sunday.

CARRIES 15 MEN UP
18 PER CENT GRADE
IN HIGH GEAR CLIMB

Carrying fifteen men whose combined weight almost equalled that of the car itself, an Oakland eight sedan recently made a remarkable "stunt" demonstration of high gear pulling power on the famous Kettle Hill at Altoona, Penna.

Crowded inside and perched on fenders, bumpers and running boards, the fifteen passengers represented a dead weight of 2,456 pounds which flattened down the springs until the rear fenders touched the tires every time the car encountered a road bump. Kettle Hill, for many years a test grade where ambitious motorists try the capabilities of their cars, resembles a gigantic ramp rather than a road. For nearly a mile it climbs abruptly upward at an angle of 18-3 per cent.

But despite the drag of one and one-quarter tons of passengers and the steepness of the ascent, the 85 horsepower Oakland made a standing start, climbed the hill in high gear and "went over the top" at a speed of 40 miles per hour. The Oakland was a strictly stock model.

Discontinue Silencers
HARTFORD, Conn.—Yielding to the public opinion that the manufacture of silencers helps aggravate crime conditions, the Maxim Silencer Company of the city has decided to stop making silencers for firearms. The company, it is announced, is now making a successful silencer for airplane motors.

WEST FARMINGTON

Mrs. Irvin Knapp
PHONE 404

Several relatives of eighth graders of Oakland County rural schools attended the eighth grade commencement exercises at the Oakland Theatre, Pontiac Thursday. The invocation was given by Rev. Ede of Walled Lake Methodist church. West Farmington school was one of the 51 schools with records of 95 per cent or better in attendance. West Farmington school had an attendance of 95.5 per cent during school year.

Charles H. Pennell, 66 years old, of West Bloomfield Township died at the Oakland County Infirmary Sunday. He is survived by one brother, Frank Pennell of Walled Lake and a sister, Mrs. Charles Wixom of Pontiac. Burial in Walled Lake Cemetery.

Mrs. Eva Tolman spent a few days with her daughter and family, Mrs. Starr Graham.

The North Farmington Auxiliary ladies met at the cemetery Thursday evening to decorate the graves and hold a business meeting.

The 4-H Club boys and the agriculture boys taking poultry and potatoes met at the Walled Lake school Tuesday evening.

NOTICE

Board of Review
Notice is hereby given to all persons liable to assessment for taxes in the City of Farmington, that the assessment roll of said City as prepared by the Assessor be subject to inspection at the rooms of the City Commission in the Fire Hall building, Tuesday and Wednesday, June 10 and 11, 1930, at 9 a. m.

The Board of Review will be in session and upon request of any person who is assessed on said Roll or if his agent and upon sufficient cause-being shown said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the value thereof relatively just and equal. Such Assessment Roll as received by said Board of Review shall be the Assessment Roll of said City for the year 1930.

N. H. POWER, City Clerk.

June 5.

The Finish Depends on the Starter

Nothing means more to baby chicks than a good start in life, and nothing means more to you than to give it to them.

All rules for correct feeding can be boiled down to "The right feed at the right time." The right feed means LARRO—a starter having exactly the right ingredients to build brown and bone; to keep the chicks growing fast, yet evenly; to cover them with uniform, close feathers; to build capacity in frame that will assure profit for you later.

If you want more chicks, bigger chicks, better chicks, feed

A FAMOUS NAME A FINER CAR

Dependable... ...YES! because it embodies features which assure unfailing service

The Pontiac Big Six enjoys a world-wide reputation for dependability—because it is built on big car principles and to big car standards of quality.

Its 60-horsepower motor develops maximum power at moderate engine speeds—is never over-taxed, no matter how fast or far you drive. The big main bearings are of the costly interchangeable airplane type. There is definite protection in the full pressure oiling system and crankcase ventilation which prevents dilution of the engine oil. Efficient cooling is assured by the cross-flow radiator. And Pontiac internal-expanding brakes frequently run 30,000 miles before the lining needs replacement.

You know, when you buy a Pontiac Six, you are buying a dependable car.

Consider the delivered price as well as the value of the car when comparing automobiles. Pontiac delivered price includes only freight and delivery and the charge for any additional accessories or financing desired.
