COTTAGE IS DAMAGED BY FIRE; OWNERS AWAY

About \$200 damages to the cottage of E. Sayer in the subdivision back of the New Casino on the south shore of Walled Lake last Thursday, was done by a fire, believed to have been caused from an oil heater.

The Walled Lake fire department driven by Orson E. Coe responded to the alarm and extinguished the blaze with chemicals. The attendant smoke as the chemicals were applied caused another alarm to be turned in for the Novi equipment and the Walled Lake pumper, but the blaze was out before they arrived.

Both Mr. and Mrs. Sayer were away from home at the time of the fire.
