## You May NEED It And not KNOW It

Millions of dollars are lost every year which could be protected under special forms of insurance.

Some of these special forms cover losses in rent or rental value, use and occupancy, flood, wind-storms, rain, hail and explosion.

Let us give you the details of complete protection

## Happy Days Are Here Again

June sees the start of that happy throng of motorists on their annual pilgrimage to the out-of-doors. On your trip this summer, remember that you can keep in close touch with home and business by Long Distance telephone. Wherever you go, you will find a telephone from which you can call home quickly and at small cost. Make it a point to call home every day or so, and to telephone ahead each day for reservations for the night.
