

## Be Particular About Bread

Because Bread is used so universally, some housewives become neglectful and buy "any kind"—so long as it's bread.

But just because your family eats so much of it—that's just the reason why you should be particular to buy only high quality Bread.

Our Farmington "Baker Boy" Bread contains the best ingredients. Use it every day.

## CLARA BOW LOVES NAVY; NAVY LOVES CLARA BOW

The Navy Department of the United States helped Clara Bow be "True to the Navy." Technical advisers experienced in sea warfare supervised the sets at the Paramount studios for the "It" girl's latest picture, which will show at the Public Redford theatre, starting Sunday, July 13 for three days.

The interior of one of the 14-inch gun turrets of the U. S. S. Mississippi was duplicated at the motion picture studio, the naval experts, assigned by the Navy Department, making sure that the set was exact in every detail. One scene in the picture shows the fighting seamen at the battle practice in the turret.

Frederic March, leading man in "True to the Navy," plays the part of a first-class gunner's mate. Frank Tuttle, who directed "Sweetie," made this picture, and Harry Green, featured comedian of "Kibitzer," has a strong supporting role.

Try an Enterprise Liner.

## CHURCHES

Evangelical Church  
Rev. A. A. Scholze, Pastor

Sunday School, 10 a. m.  
German service, 11:15.  
Subject: "The Awakening of a Soul."

Daily Vacation Bible School closes today. The total enrollment has been 53. The classes will have a basket picnic at the creek Friday noon.

Next Friday, July 13, the Evangelical churches of Greater Detroit will enjoy an excursion to Bob-Lo. The Farmington church will participate. They invite their friends to join them. Adult tickets 75c; children below 15, 40c. Tickets can be had at F. L. Cook & Co.

Our Lady of Sorrows Church  
Rev. James A. Callahan, Pastor

Sunday masses at 8:30 a. m. and 11 a. m.  
Daily mass at 8:00.

Clarenceville M. E. Church  
Rev. Robert Richards, Pastor

10:30—Morning worship.  
11:30—Sunday School.  
7:30—Evening service.

Baptist Church  
Rev. E. W. Palmer, Pastor

10:30—Morning worship.  
At this service Allen Killom, a local young man and a graduate of our high school, will preach. He has taken as his subject, "Sons Beware!" The public is invited to hear him, especially the young folks who knew him in his school days.

11:45—Bible School.  
We are happy to be able to keep up our good attendance during the summer months.  
6:30—B. Y. P. U. for all young people.

7:30—Open air service in Town Park. We are having great meetings out in the open each week. The singing itself is an inspiration. Come and worship with us outdoors. The Pastor will speak on "Where Are You?"

St. Paul's Evangelical Lutheran Church, Clarenceville  
(At Switzer Road)

St. Martin's Episcopal Mission  
Lenore Ave. 3 blocks south of Grand River. Five Points

Morning service, 10:30.  
Sunday School, 11:30.

POLITICAL ADVERTISEMENT  
CANDIDATE

LEWIS M. WRENN

For some time I have been giving serious consideration to the suggestion of many of my friends that I become a candidate for the office of County Drain Commissioner at the Republican primaries in September. I have finally decided to do so and so formally make announcement of my candidacy.

For the past 12 years by training as civil engineer has been such as will enable me, I believe, to serve the people of Oakland County to their advantage.

I have been connected with the office of the county drain commissioner for a period of nearly 5 years, which work brought me closely in contact with the drainage problems of the County because I was charged largely with the designing and laying out of

most of the drains constructed that time.

Prior to this I was assistant city engineer of the City of Pontiac, to which position I was appointed in 1920 following work in an engineer's capacity in this county for the DuPont Construction Company.

Due to the present high tax rate and general business conditions throughout the country, I believe that the County Drain Commissioner should exercise a great deal of judgment and discretion before undertaking any drainage work and should devote his very best efforts to the settlement of some of the difficulties which have arisen in connection with some of the major drainage projects which have been undertaken in the past. These matters have already cost the taxpayers of the county immense sums of money, and, I believe, immediate steps should be taken to stop this loss.

I am 38 years old, married, have three children and reside at 11 Niagara avenue, Pontiac.

Am a member of the Michigan Engineering Society, American Legion, Cosmopolitan Club, Masonic Fraternity and the First Presbyterian Church, of Pontiac.

I have never before sought political office, but feel that, if the electors so desire, I can render service in the profession to which I have given so much time as a Registered Civil Engineer.

Jails School Children

Canatlan, Mexico.—When 300 school children refused to march in his parade the mayor had them arrested and lodged in jail, where they were held until they paid fines. He has been removed from office.

## FREE FIREWORKS

So great was the public's reception of the gorgeous fireworks display, July 4, that Paul Heinze, manager of Edgewater Park, has announced that every Wednesday night during the park's season, there will be a display of spectacular fireworks free to the public.

Another big event is the coming of McKinney's Cottonpickers to the Edgewater Park ballroom which has brought this popular amusement park into the spot-

light of the dancing world. The famous Cottonpickers are now at Jean Goldkette's Edgewater Park ballroom for a two week's engagement.

## Find Safe in River

Biloxi, Miss.—Stolen two years ago a steel safe, containing \$720 in cash, was recently discovered in Tchoutacabouf River, with the door unlocked and the contents untouched.

## Suppose Your Car Caught Fire

what could you do? Automobile fires work fast and are a menace to those who try to extinguish them. Too frequently the end of the fire is the end of the car.

But fire is only one of the dangers of the road. There are also theft, collision, property damage, and public liability.

Protect your savings. Insure with

## It Keeps Better

Farmington Dairy Milk keeps better in hot weather because it's Pasteurized. When Milk "spills" (turns sour), it is because there are germs in it. Our bottles are sterilized and our Milk is all pasteurized, thus destroying any harmful bacteria. Use our Pasteurized Milk—it keeps better.
