Happenings That Are Making History Information Gathered from All Quarters of the Globe and . Given in a Few Lines.

#### **Politics**

The unofficial count of total vote for president in illinois shows that Wilson obtained 607,470 votes. Roosevelt, 391,365, and Tart 256,625. Will son's plurality was 16,105, but he lacked 180,162 of a majority.

Unofficial returns received in Albany, N. Y., indicate that the proposal to bond the state for \$50,000,000 to continue the work of improving the state's highways was adopted at the election. The New York State Automobile association estimates that the proposition was carried by at least 350,000.

Congressman Nickolas Longworth was defeated for re-election by Stanley Dowdle, Democrat, by 83 votes, according to the unofficial canvass of the vote in the First Ohio district Longworth will not admit his defeat.

The accession of Illinois and the loss of Minnesota gave President-elect. Wilson a gain of 14 votes in the electoral college, making his total, on the basis of unofficial returns, 442, to 77 for Roosevelt and 12 for Taft.

In the gubernatorial elections, of which there were 29, the Democrats when it is not the Progression of the Progression of the Progression of the States, North Dakots, Muneauts, New Hampshirt Endes of the Progression of th

Returns from all over the United States insure the Democrats control of the house of representatives, and indicate that they also will dominate the senate. . . .

Jack Johnson, negro puglilat, was taken into custody by federal officials at Chicago following the return of an indictanent against him actors Judge Landis of the federal grand Jury. The indictanent contains four consts. Charging the negro with violations of the Mann act. Ball was fixed at 130,000. He was sent to Juli.

"Red Phil" Davidson, confessed murderer of the gang leader, "Big Jack" Zellg, was sentenced by Jus-tice Goff in New York city to impris-onment in Sing Sing for not less than thirty years nor more than life.

#### Balkan War

The outbreak of cholera in Constantinople is assuming serious proportions. Twenty-three cases have occurred among the troops along the Tchatalja lines. There are many more suspected cases among the wounded.

more suspected cases among the wounded.

The United States has identified itself with the Balkan situation by ordering two of its most powerful armored cruisers, the Tenuessee and the Montana, from League island to Constantinople. It is probable that one of the cruisers will go to Constantinople and the other to Beirut, where there is a very large share of American civic and educational interests.

The Turkish cabinet, after a long conference, decided to accept the offer the control of the contro

A complete and crushing victory for the Bulgarian forces over the Turkish army retreating into the Tchstalfa forts on the northern outskirts of Constantinople is reported at Sofia. The casualities are given at 25,000 killed and wounded on both sides.

NOT A BOOM, BUT DUE TO NAT-URAL DEVELOPMENT.

NOT A BOOM, BUT DUE TO NATURAL DEVELOPMENT.

One of the largest banks in Highand
has been doing a big business in
Western Canada, and Mr. W. Westerman, the President, on a recent visit
into the Provinces of Manitoba, Saskatchevan and Alberta, expressed
himself as being much impressed with
present conditions and prospects, and
was Convinced that, the great prova
aboom, but merely the outcome of natural developments.

Not cally has money been invested
largely in Western Canada by the
Holland Banks, but by those of Germany, France, as well as Great Britain. Not only are these countries contributing money, but they are also
contributing money, but there and
sustrious farmers, who are helping to
produce the two hundred million bushels of wheat and the three hundred
million bushels of the other small
grains that the Provinces of the
West have barreaned this season
During the past flaced to United
States 133,719; from Austria Hungary
21,651; from Belgium 1,691; Holland
1,071; France 2,694; Germany 4,694;
Sweden 2,394; Norway 1,692; and
from all countries the immigration to
Canada. In that year-way 534,237.
From the United States and foreign
countries the figures will be increased
during the present year.
Most of these people have gone to

countries the figures will be increased during the present year.

Most of these people have gone to the farms, and it is no far look to the time when the prophecy will be ful-filled of helf a billion bushel crop of wheat in Western Canada. Advertise-

TWOULDN'T BE LIKE HIM.

Mrs. Jones—What did you say to the janitor?

Jones—I told him that. hee could make some warm friends if he would only turn on a little heat.

Built Her Own Home.

Miss Frances Lyon of Westwood has the distinction of being the only woman in New England who lives in Albert Miss Lyons belongs to a club whose members are practicing the doctrine of going back to the farm. The club is limited to 40 members and owns property to the amount of \$1,000 and about 70 acres of farming land not far from Westwood. Each member holds a deed to one acre and the balance of the land is held in common to the land of the same of the land is held in common to the land of the land in the land

House Plans important.
The ware in the home and all other forms of household work are greatly facilitated by right planning and the construction and principle of the home. An adequate and correlinent water supply and other conveniences are essential, and only or confort and for awing falor. It of form the standpoint of home hygiene.

Political arguments lose us more riends than they gain votes.

Thin Bits of Corn Toasted to A delicate Light Brown-

# Post **Toasties**

To be eaten with cream and sugar, or served with canned fruit poured overeither way insures a most delicious dish.
