FOR GOVERNOR

—vote for

WILBER M. BRUCKER

- saved \$3,000,000 for the people in the Bell Telephone case.
- cut the costs of Woodward avenue widening by \$1,000,000.
- collected \$3,600,000 worth of "bad debts" for the state.
- curbed the "loan shark" business.
- presented the House of David case.
- won the lake level case, that will eventually make Michigan ports seaway ports.

He has devoted his life to service for Michigan

The record of Wilber M. Brucker has been a record of true public service—of full-time, whole-hearted service to the people of Michigan.

Consistently—since he has held office for the State—all his effort and talent and time have been devoted to the State—to Michigan interests, Michigan welfare, Michigan advancement. Private practice and personal business have found no place in his long and distinguished public career.

A University of Michigan graduate—and member of a Michigan division during the World War—Mr. Brucker first served the people in the role of assistant prosecutor and later, prosecutor of Saginaw county. In this capacity, he soon became known as one of the outstanding prosecutors in Michigan.

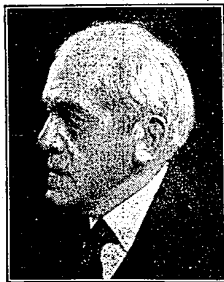

As assistant Attorney General, he attracted widespread praise because of his effective work in the notorious House of David case.

And later, as Attorney General, he realized the full scope of his abilities with a series of unusual legal and administrative achievements—thwarting the famous "Chicago water steal"—obtaining the negligent homicide act—winning the State's radio case—and making the Telephone company submit to state legislation.

Obviously—your vote for Wilber M. Brucker will be a vote for Michigan, because Wilber M. Brucker has devoted his life to serving the people of Michigan. He is, above all, the people's candidate—your candidate for governor.

"A REPUBLICAN for the UNITED STATES SENATE"

If you feel that Michigan should be represented in the United States Senate by a REAL REPUBLICAN —by a man of proved ability —by a man of years of experience in public service and with a proved record of accomplishment for his state— then you will vote for Former Governor Chase S. Osborn.

CHASE OSBORN

CHASE S. OSBORN has a long record of public service behind him. He served Michigan as Governor in 1911 and 1912, and refused to be a candidate for a second term. As Governor, Chase Osborn gave Michigan:

The first Industrial Accident Board and the workmen's compensation and employers' liability law, which has served as a model for other states. More than \$50,000,000.00 have been paid employees under this act.

The opportunity to adopt a constitutional amendment granting the right of suffrage to women.

The presidential preference primary.

The first forward step toward prohibition, in a law which prohibited the ownership of saloons by breweries or anyone interested in the wholesale liquor traffic.

One of the first regulatory laws covering charges by railroads and express companies. Its first forward step toward tax revision.

A reorganized Michigan national guard and took it out of politics.

Abolished scores of useless state offices; put more property on the tax rolls than any governor, before or since.

Legislation that exempted war veterans from taxation.

As Senator he will make an equally outstanding record
