## The ELECTROCHEF\* electric range

Strikingly different in appearance from all existing cooking stoves, the modern lines of the ELECTROCHEF electric range set a new standard of beauty in kitchen equipment. All unnecessary parts have been eliminated, with the result that the ELECTROCHEF is the first really modern kitchen range. The ELECTROCHEF is a quality product, built to last a lifetime. Only the finest materials enter into its construction. Of heavy, rust-resisting Armo iron throughout, it is finished in mirror-like Chromaplate and three coats of porcelain enamel. With every ELECTROCHEF, a seven-piece cooking set of heavy-duty Miro-aluminum is included without extra charge. See the ELECTROCHEF at any Detroit Edison office.

\*A study of 500 homes showed that the cooking cost with the Electrochef range averages 64c a person per month.
