TO HOLD FARM WEEK

IN EARLY FEBRUARY

East Lansing—Farmers Week, annual agricultural and home makers exposition at Michigan State College, will be held from February 2 to 6 this winter.

The dates of the big "round up" correspond with those of many former years, experience having shown that mid-winter season to be the most suitable for rural conferences.

More than 30 of the leading farm and home associations and groups of the State will hold their annual meetings during the week. Speakers of wide reputation will address the various general and sectional conferences. Entertainment features will be scattered through the program, while special exhibits of an instructional nature will be on display.

Crowds of more than 5,000, gathered from all over Michigan, have attended recent Farmers Weeks, and plans are being made to accommodate a near-record assemblage this year.

Swell farm folks now call the cow pasture the airport.

The total amount of American radio equipment shipped to foreign countries in a single year was valued at \$12,061,410.

"Are those fresh eggs?"

"Sh-h-h. The hen doesn't know we've got them yet."

OUR LEISURE TIME

Well-used leisure is not a competitor of productive work. Leisure is the humane life partner of work. It is the good recess that breaks into labor too long pursued, as work itself is another recess to play too long indulged.

A true use of leisure never destroys the other important values of life; sanely perceived play or recreation should heighten all other values and processes. Right use of leisure makes us constructive not destructive. It makes us more moral, not less so; more refined, not more gross; more eager workers, not less willing workmen.—Henry Suggalo, Extract reprinted from Journal of the National Education Association, April 1930 through Normal Times & Primary Plans, June 1930.

Landlord: "Get up, the hotel is on fire."

Visitor: "If I do, it is understood I only pay for half the night."

WALLED LAKE H. S. GIRLS

START BASKETBALL

Walled Lake High School girls' basketball practice began at the high school last week with 27 girls reporting to Coach Dora Wood. This is the largest turnout of candidates in the history of the school.

The girls will have a veteran team this season, with all of last year's regulars on the squad this year. The first game is with an alumnae team early in December, and the first regular game scheduled with Milford, December 16. The girls will also be members of the Southwestern Oakland County League, and will compete for the championship.

The girls all underwent a physical examination, and all but two were found physically able to play. The rule for girls' athletics were changed slightly this year. The teams may play six-minute quarters and allow their players to remain in the entire game, or eight-minute quarters can be played and the girls allowed to play only three full quarters.
