"Old-fashioned cooking! Who doesn't remember it? Mother used to spend all day over a hot stove, preparing the special meal—and what delicious food! But electric cooking has all the flavor of old-fashioned cooking, and yet has the added advantages of cleanliness, healthfulness and speed." \* \* \* If we were to combine the comments now being received from users of ELECTROCHEF electric cooking, the result would be much as above. YOU can enjoy this cleaner, pleasanter, healthful cooking in your kitchen. The ELECTROCHEF range may be purchased on convenient terms. See it today at any Detroit Edison office.

\*A study of 500 homes showed that the cooking cost, with the Electrochef range averages 64c a person per month
