

BE A GOODFELLOW! - HELP THE CHRISTMAS FUND!

“Santy -- don't forget us  
PLEASE”

YOU!

don't want any child in Farmington to wake up Christmas morning and find that "Santy" has forgotten that child, do you? Especially when just a little bit of help from you would have made it all so very different, so happy instead of so sad?

Yet there's danger of just such a thing happening—unless YOU help—your neighbor and everyone in the community who possibly can give a little. At no other time has the help of every single person been needed so much as now. There's more to be cared for this year — and some of those who were able to aid a little before cannot do so now. So if you possibly can, you MUST help our Community Christmas Fund this year.

-- How You Can Help --

**This Is "Private"**

This message is for "private" citizens as distinguished from business-men of Farmington.

The Christmas Fund committee's solicitation each year is confined chiefly to the business section, because of the immense work that would be required to call at every home. But this is a community-wide call—not for business-men alone. Particularly this year have the demands on business-men been heavy. They cannot do it all. Many citizens not in business are equally able to aid in this work. Do YOUR part whether the committee calls on you or not.

It will be impossible for the Community Christmas Fund Committee to solicit everyone in the community personally, but this does not mean that your contribution is not needed or will not be welcomed. Telephone or see any member of the committee listed below. They will be glad to call on you to receive your contribution. No amount is too small—get in touch with one of them TODAY.

**FOOD AND CLOTHING**

Contributions of food and clothing will be welcomed by the committee. There is great need for both. If you can aid in this regard, communicate with Mayor Arthur Lamb, Phone 244, who will arrange to have whatever you can give picked up at your home.
