

# Christmas Greetings

to our many friends  
in the homes  
of this community

Home fires burn brightest at Christmas-time, and to every fireside in this community we send our greetings of the season. We are grateful to know that in hundreds of homes which our supplies keep warm and cozy, there is a warm feeling of friendship and good-will toward us, as shown throughout the year.

May this festive season bring you utmost joy, and may it continue throughout the coming year.
