Nearly All Claims Settled Without Litigation

How Settled	1928	1929	1930
Without suit	21,329	25,156	21,532
Adjusted before trial	92	100	183
Verdict against policyholders	15	13	17
Dismissed by court, etc.	22	16	15
Total	21,458	25,285	21,647

The fact that over 68,000 claims were settled in three years, by so many agents, adjusters and attorneys, and with so little litigation, indicates that everyone taking part in settlements has attempted to be fair and reasonable.

Those who had a just and reasonable claim were paid without litigation, and those that appeared excessive, unreasonable or fraudulent were defended.
