

The Secret Terror

The haunting fear of sickness and helplessness is the secret terror of the working man. Health is his capital. Kidney diseases sap a man's strength and vitality. They lessen his earning capacity. Foley Kidney Pills bring back health and strength by healing the disease. They are the best medicine made for kidney and bladder troubles. The genuine are in the yellow package. Refuse any substitute. Sold by T. H. McGee.

His left shoulder was dislocated and he was otherwise badly bruised but now he is resting quite comfortably at his home.

Two things are staring the average man in the face just now, taxes and the usual Christmas gifts. The first is inevitable, they must be met and the other is nearly so for the average man is forced by custom to limber up and shell out generously at this season in order that the wife and children may be able to do as others do. The giving of costly gifts at this season is a habit that is growing on the American people, but as long as the present prosperous times continue it does not make so very much difference. Thank the Lord we are able to enjoy Christmas in America and why should we not do so.

Obituary

Christopher Pangborn of this village passed away while visiting relatives in Huron county Nov. 31st.

Mr. Pangborn was born in Brock township, Canada, January 31, 1840, and moved to Huron county, Michigan, at the age of 23 years. In 1874 he moved to the state of Virginia, where he remained one year, returning to Bad Axe. In 1897 he moved to Farmington township, where he resided on the farm southwest of the village for five years, when he moved to Farmington, where he has since resided. He was united in marriage to Mary Philp of Huron county in 1867. To them were born five children, two of whom are living, William of Farmington and Alvy of Pontiac, who with Mrs. Pangborn and a host of friends are left to mourn the loss of a loving husband, father and friend.

The funeral was held from the Presbyterian church at Verona, Rev. Life of the Bad Axe M. E. church officiating, and the remains laid to rest in Verona cemetery Dec. 3.

The enormous traffic over the new Grand River road this fall is a test for the new concrete. Hundreds of heavily loaded wagons go to the city daily and they are passing at all hours of the night as well as in the day time. It is expected that the road will stand severe test upon it, but it is the opinion of those best posted that if the eastern method were adopted of allowing nothing but wide tired wagons on the thoroughfare it would extend the life of the road for many years.
