

O. K. To Loaf

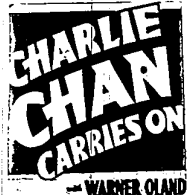

The right to loaf on city streets and public places, no matter how lowly the idler may be, was upheld in San Francisco by the United States Court of Appeals. The question was brought before the court on an appeal from a conviction in Honolulu.

Fire Escape

The school has a new fire escape which was put in Monday. It is one of the newest slide type which is built in an oval shape.

The escape is built off of the gymnasium and affords a quick exit for the pupils who have classes on the second floor. The new fire-escape will carry fifty pupils per minute from the building.

J-Hop

The Northville Country Club on the Seven Mile Road will be the scene of the annual J-Hop sponsored by the Juniors of F. H. S. on June 12.

Maloney's Ramblers of Pontiac will furnish the music for the event.

The dance is informal; summer and sport wear will probably be the vogue. Admission will be \$1.50 per couple.

B-A-S-E-B-A-W-L!!

One of the premier attractions of the season will be the baseball game between the Faculty and High School on Wednesday, May 20, 1931. The game will begin at 4 p. m. sharp.

Since the faculty team is quite new to everyone a few of the players should be mentioned. "Bucky" Bisbee is the playing manager of the team and, of course, two coaches were needed and they are Harrison Johnson and "Ernie" Asch. Curtis Hall the faculty wicked right hander, will serve them up to the high school boys. He intends to strike out all the home run batters of the opposing team. The four

dashing fielders are Burns, Rohrer, Eaton and Dalrymple—they are experts at catching flies. Reinforcements were badly needed so Coach Goers will play first base even though he is a pitcher for a more well-known team. Howard Osmus intends to catch all those "well pitched" balls. The Don Walters will hold down second base. "Bucky" will keep everyone away from third. As the umpire the team were fortunate in securing "Stanley" Smith, a former league umpire.

Come as a stiff battle is anticipated.

Believe It or Not

A butterfly might better commit suicide than come around the high school.

Kenny Graham has a box formation haircut.

LeRoy Taggart is F. H. S. all-star reaching first baseman.

Only 331 more days before that hard working Junior class goes to Washington.

Evidently the new F. H. S. fire-escape was an idea of some clothing company to wear out the students clothes.

The high school has a fine assortment of school children, they range all the way from dwarfs to full developed human beings.

George Middlewood makes good pancakes.

"Can You Remember?"

The first day Virginia Loudon came to school.

When Mr. Eaton had the "mumps?"

Lucille Jacobs in an angry mood.

Coach Shadley tearing his hair at a foot-ball game?

Dick Russell saving on his fiddle?

Ninth hour tea parties?

The first football game between the faculty and high school.

Ken: Have you heard about the meanest man in the world?

Bob: Yea. He throws chewing gum in the streets for Austins to get stuck on.

Don: I should think you'd feel as happy as the king when you're in the air.

Joe: Happier. I'm an ace.

Don't tell Lucille Jacobs a joke on Saturday, she's liable to laugh in church on Sunday.

Matilda Casey—"That's nothing, I rain the town".

Mr. Rohrer—"Will you please raise one hand if you are coming to the J-Hop alone and both hands if you are bringing someone else's girl?"

Frank Kerr—"What do you do if you are bringing someone else's girl?"

GOLFERS DEFEAT WAYNE

Monday the F. H. S. Golf team journeyed to Birch Hills and annexed their second straight victory of the year by defeating Wayne High, last year's champions, to the tune of 9½-2½.

Preiskorn, of Wayne, High School, Regional Champion of 1930, turned in an 82 to carry off individual honors for the day.

Summary is as follows: Farmington: Lapham, 86; Fendt, 89; Gravin, 88; Graham, 96.

The Farmington High golf team romped over the Northville golfers by a score of 10-2.

In spite of a strong and cold wind which made playing extremely difficult, the whole team made a very good showing. Fendt was low man with an 83.
