TO HOLD WEED CONTROL MEETINGS IN THIS SECTION

The schedule of the weed control meetings to be held in Oakland county has been announced by County Agricultural Agent K. D. Bailey. Those nearest this area are at the farms of George Henry, South Lyon, Don Clark, Clyde, Wm. Crawford, Milford.

These meetinbs will be of interest to the gardener who has to contend with red root and pusley as well as to the land owner who has fields which are over-run wit Canada thistles or quack grass.

Control methods by cultivation will be explained. Those who have tried different methods and found them successful will be called upon to tell how they did it.

On the farm where the meetings are held there will be a patch of weeds that has been treated with a chemical, to show the effect this has on the weeds and indicate whether or not it is a practical method of control.
