MEADOW BROOK FARM -REAL FOOD FACTORY OF BUSINESS TYPE

An Agricultural Unit With 'Business Farming' Applied, Operated by Prominent Michigan Woman.

Mrs. Alfred G. Wilson Owns Fourteen Hundred Acres of Beautiful Rolling Land in Oakland County and It's a Farm of Which Michigan Can Justly Be Proud.

Michigan has many very beautiful farms noted for their individual production along one definite line-cherry, apple, peach, sheep, cattle or poultry products, but few of the large agricultural units of this state are portated along generation and Prottine intermediate townships, Oakhand county, comprised by Mrs. Alfred G. (Matilda R.) Wilson, who tetre known in civic, political and industrial circles than agricultural, Mrs. Matilda R. Wilson, who be noted by Mrs. Alfred G. (Matilda R.) Wilson was nominated at the recent Republican state convention for membership on the State Board of Agriculture, the body that has charge of the Michigan State College at East International Control of the Michigan State College at East

Leavity's Laddie, of Overlook Farm, head of Meadow Brook's Guernsey Herd.

lages. There are hundreds of pounds of butter each month, product of the Guernsey herd through the sanitary farm dairy; crates of eggs and dressed poultry going to the same market. Very little grain is sold from the tilled acres for each vear Mr. Wilson

One view at "Meadow Brook" that One view at "Meadow Brook" that would piese the sight of any old fashioned farmer is the sixteen work horses, not pedigreed stock, but genu-ine farm animals who have as their adjes in cultivating a thousand acres of land two tractors and other power ma-chinery.

poultry going to the same market.

Very little grain is sold from the tilled acres for each year Mrs. Wilson purchases young cattle in car lols from Western stockyards to consume all of the surplus raised. Hogs and theep, however, in addition to the cattle, furnish a year round outlet for the grains produced.

There is now in the making of the grain and the grain of the most of the making and the grain and the grain of the grain and the grain of the grain
