## Happy Vacation Days in Michigan

Whether you prefer an active vacation, or one of rest, spend it in Michigan. Enjoy fishing and water sports in Michigan's 5,000 lakes and streams. Ride... play golf and tennis... camp. Or just spend your days "sun bathing" on broad, sandy beaches, or relaxing beneath shady pines.

And use Long Distance telephone service... available everywhere... to call home and office frequently and dispend worry. Telephone ahead for reservations, or notify friends when you will arrive. The surprisingly low cost of Long Distance calls will add little to your vacation budget.

One of a series of 11 advertisements concerning the vacation advantages of Michigan, being published in 250 newspapers by the Michigan Bell Telephone Company.
