## Flavor plus Health value! ELECTROCHEF-baked potatoes

SPLIT OPEN one of these baked potatoes that really make you hungry—sniff the aroma of its steaming hot, fluffy tenderness!

In the ELECTROCHEF oven, the starch of the potato is made more easily digestible and more thoroughly tender. ELECTROCHEF baking is one of the most healthful methods of preparation. Gentle electric heat enhances the savory goodness of baked potatoes,

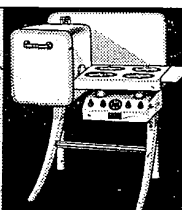

retaining all of the nourishing food values.

Then, if you've never done it, sample the crisp outer skin... Connoisseurs are lauding the rich flavor contained in the skin of a properly baked potato. Dietitians assure us that most important food values lie directly next to the skin—and the skin itself furnishes necessary roughage. Choose ELECTROCHEF baking for flavor plus health-value!

Has Your Kitchen Stove These ELECTROCHEF Features?

1. A clean kitchen, a clean stove—no soot, no fumes. 2. Cool cooking—summer and winter. 3. Full flavor cooking—sealed-in healthful food values. 4. Exact oven control—no baking disappointments.
