New Bridge-Building Idea

A railroad bridge of unusual strength that has been built in Germany has a triangular frame, supporting members being attached to top beams that form the apex of the triangle.

"Loaf" on Own Time

In contrast to American custom, commercial and industrial firms in France do not give a vacation with pay to their employees except in a very small proportion of its 850,000 establishments.

Lift Your Head

You can't look backward and travel forward. Your head must be set, your eye steadfast in the direction you are planning to go. If you would climb upward, you must look upward, think upward, and live upward.—Grit.
