BUSINESS and PLEASURE

*"Jim will
Never Realize how
much this gift means to me"*

IT'S AN ELECTROCHEF . . .

"Weary hours of work and drudgery, standing over a hot stove, the disagreeable task of scouring soot-blackened pots and pans and cleaning a grease-caked stove; My Electrocchef ends these troubles forever. Jim doesn't realize what a burden he's lifted from my shoulders! My new Electrocchef makes cooking a pleasure. I thoroughly enjoy using my range—it's so clean, so convenient, so modern in every way. Kitchen utensils stay as bright and shiny as when they were brand new—and no wonder! There is no flame,

no smoke or soot to soil my kitchen walls and curtains—only pure heat from a glowing wire! It's such a change in cooking methods. All my friends admire the snow-white porcelain and space-saving plate finish of the range. . . . I think my Electrocchef is over my kitchen!"
