

At the Center

PHOTOGRAPHERS, attention! Instead of meeting in the Center on Nov. 2, the Farmington Photographic Club plans to visit the Westland Camera Club.

Anyone interested in going is requested to call the Center for directions. On Nov. 23, a speaker from the Northville Camera Club will give a talk

on composition to the group. Evenings of fun for the numismatists in the area are coming up Nov. 1 and 15 when the Coin Club meets at 8 p.m. Meetings will feature auctions, swaps, drawings, and speakers.

The Ham Radio Club is the Center's newest organization and one of the most enthusiastic. Anyone with interests in this field is welcome to attend the next meetings on Nov. 10, 24 at 8 p.m.

As you've probably noted from the small example above, the Community Center clubs cater to a variety of interests. Members include everyone from the beginner on up and the more merrier. Club members learn a lot and

gap. If kids are hurting, parents are hurting, and parents have problems, the kids have problems too. You can't separate the two."

Mrs. Claire Orsina, who leads teenage rap groups and has worked with adults as well as teens, says, "I don't think I have ever worked with an adult or young person whose problems did not in some way grow out of the family."

At this writing we would like to recognize the many hours of work given up this summer by Cadette Scouts Beth Babington, Jean Davis, Jennifer Dreschel, Nancy Hester and Yvonne Marra who helped us reorganize our mailing list.

These girls represent Troop 317 led by Mrs. Fred Murray and Mrs. Robert Davis. Troop 724 under Mrs. Pat Riley and Mrs. Gerda Treglawn has helped us with filing, mailing, house tours, and the flea and Nov. Members of Troop also earned our gratitude for a beautiful table cloth, wastebasket, and other accessories which they made for us while earning their geographic badges.

Bernice Lentz and Nancy Gravins' Junior Troop 263 is always on call and has helped us with many activities. The Center is most appreciative of the Scouts' interest and cooperation.

"There is comfort in knowing that other people face similar concerns, and helpful to hear different viewpoints on handling specific situations. Confidentiality within the group is an essential ingredient in developing the trust atmosphere necessary for the sharing of problems," says Mrs. White.

"When a problem is defined, each person contributes his perspective of it, and alternative solutions hopefully follow. This is significant because the person has been confronting the issue from one perspective - his own, and in this way he sees several other views. We don't attempt to
