**Where Two Million Horsepower Will Be Developed**

The initial 500,000 horsepower station at Beauharnois, near Montreal, nearing completion for delivery next year. The Beauharnois development is part of the international navigation and power development of the St. Lawrence river, which will furnish 2,000,000 horsepower.

**New Japanese Embassy in Washington**

The new Japanese embassy in Washington which has been under construction for many months, is almost ready for occupancy. It is situated in a prominent place on Massachusetts avenue, which is becoming "Embassy Row." Upon completion it will be one of the loveliest of all the impressive embassies in the Nation's Capital.

**Rare Fowls to Be Shown in Chicago**

Some of the rarest and oddest chickens in the world will be exhibited in December in the Chicago Coliseum poultry exposition. The four here seen are: 1—The turkey which looks like a cross between a turkey and a hen but isn't; it originated in Austria and is known there as the Rhineland fowl. 2—The Yokohama or long-tailed Phoenix fowl, a native of Japan. 3—The frizzle fowl which originated in Java. 4—The silver Polish fowl, which originated long ago in Spain but has been best developed in France and Holland.

**Real Americans Cast First Votes**

Seminole Indians voting for the first time when they cast their ballots in a referendum approving operation of three horse-race and three dog-race tracks at Miami, Fla. The "original Americans" only recently pledged their allegiance to the United States and the referendum provided them with the first opportunity to exercise their franchise.

**PITT'S SIGNAL MAN**

Zola Alpert is the swift and resourceful quarterback of the University of Pittsburgh's football team this season.

**CHAMPION CANNER**

Mrs. Howard Smalley of Ottawa, Ill., who was presented with a cup at the Cook county fair at the Chicago stadium as the world's champion canner.

**Positions Altered**

Hattie—Oh, Evelyn, did he propose last night? Tell me what it was like? Evelyn—Oh, it was very simple. When he began he was on his knees, and when he finished I was on them.
