this
SPECIAL
COMBINATION
solves your cooking problems

Here are three appliances so compact they will fit into the smallest apartment without difficulty... and together, they bring you ALL the advantages of a small electric range. Operating from any light socket (special wiring is not necessary), they permit you to broil, bake, roast, fry and stew. They enable you to enjoy genuine electric cooking at a fraction of the cost of a electric range. Once you have tasted the deliciousness of modern waterless cooking, with its tempting SEARED-IN flavor, once you have enjoyed its healthfulness and convenience and cleanliness, you will never again be without it. And these appliances (a kitchenette grill, portable oven, and electric casserole) bring you added hours of freedom. You can go out for the afternoon while your evening meal is cooking.

EVERY HOME IN MICHIGAN
NEEDS THE PROTECTION
OF TELEPHONE SERVICE

When danger lurks at your window... when fire threatens loved ones and home... when sudden sickness or accident makes medical attention imperative... then does one realize most the PRICELESS PROTECTION afforded by telephone service.

For, with a telephone, you can summon aid instantly, day or night. Just one such call may be worth more than the cost of telephone service for a lifetime.
