# Thank You, Folks!

We deeply appreciate the wonderful reception you've given The Great New Car of 1933—THE NEW FORD V-8. We were sure everyone would instantly approve the increased size—112-inch Wheelbase—the great power and the striking new design, that all means a continuation of the FORD policy of greater value for lesser cost.

It seems that nearly everyone has visited our showroom, but if YOU haven't seen this big, fine, beautiful new Ford V-8 drop in at your earliest convenience. You'll see why everyone is as enthusiastic as we are. And you'll see for yourself that FORD value still leads, as always.
