Elizabeth Lake Garage  
Phone 7825  
2538 Elizabeth Lake Road, Pontiac

**MRS. GREGORY, Southern Auto Supply Co., Pontiac**  
Wholesaling and retailing gas, oil and fuel oils in this district. We have built a nice following and have great faith in the section's future.

**MORIN and McVEAN SERVICE STATION, Pontiac**  
(Owned and operated by Veterans)

"Because we seek great possibilities in this section we located here at Elizabeth Lake and Telegraph Roads seven years ago. Our business has expanded with this line district."

**J. E. SHELTON, Auto Parts Co., Pontiac**

"New and used auto parts and the installing of glass at lowest prices are features of our service, and we serve people from everywhere in the county."

**DR. B. A. TEPOORTEN, Chiropractor, Pontiac**  
(Member American Legion)

A Palmer graduate of 1910, Dr. TePoorten has practised in Pontiac for 15 years, maintaining a complete Physio-Therapy Laboratory and practicing the latest in Painless Chiropractic adjustments.

**AARON FOX, Fox Dry Cleaners, Pontiac**  
(Member Cook-Nelson Post No. 20 American Legion)

"Having our own modernly equipped plant here, we are prepared to turn out as high quality workmanship as any plant in Michigan and all garments are fully covered with insurance."

**JACK ERNST, Garage, Pontiac**  
"A year ago we introduced our complete service for motorists to Oakland County people and we are pleased with the reception this service has received."

**EARL F. TRAPP, General Garage Service, Pontiac**  
(Member V. F. W.)

"No county offers a wider range of service in all lines than does Oakland County, and no section offers more reasonably priced service. I specialize in motor rebuilding and wreck work as well as doing general repairing, and my prices are lower than at any time during my 20 years in the auto repairing line."

**KEEGO SALES AND SERVICE, Keego Harbor**

"Our sale on new Chevrolet, so far this year, has tripled that of any other recent year due to the exceptional value of the new car. Our low overhead enables us to allow more on 'trade-ins' and to sell used cars for less. A full line of parts, accessories, radios and expert radio service, official A.A.A. service, day and night wrecker service, have helped in the growth of our business."

**C. N. HUMPHRIES, Humphries Coal Co., Pontiac, Drayton Plains and Royal Oak**  
(Member American Legion)

"Our business has progressed with Oakland County during our 10 years here. Starting with our Pontiac yard we later added a yard at Royal Oak and one at Drayton Plains and our policy has been highest quality at fair prices."

**FRANK WILSON, Auto Inn Garage, Authorized Ford Dealers, Auburn Heights**

"Reduced prices on Ford repairing as well as on our general repairing have helped to enliven business in our garage."

**CHAS. E. AUSTIN, Austin's Garage, Pontiac**  
(World War Veteran)

"If each of us who can would have one done or buy one extra article in Oakland County this week it would help greatly to improve conditions immediately. Low repairing prices of today add greatly to the economy of operating a car."

**JAMES McBAIN, Personal Service Garage and Pifer's Duco Shop, Pontiac**  
(Member American Legion)

"We are doing boring or cylinder boring free with complete motor jobs as an inducement for motorists to have jobs done now. We are also featuring very low prices on paint jobs for spring."

**G. H. STIVENS, Reliable Service Garage, Pontiac**

To meet present conditions we are giving 10% discount on all repair jobs on which the ad appearing in this edition is presented."

**HENRY KRAFT, Elizabeth Lake Garage, Pontiac**

"Low overhead, made possible by my location and by my doing my own repairing, makes it possible for me to save the public considerable money."

**CARL HERTZOG, Hertzog Bros. Garage, Pontiac**  
(Operated by ex-service men)

"Due to our low overhead we are able to keep our repairing at rock bottom and as a result do work for car owners all over the county."

**S. NEWHOUSE, Wolverine Heating and Sheet Metal Works, Pontiac**  
"Lowest prices prevail on heating and sheet metal materials. We are now able to install a furnace in an old home not having a furnace for as little as \$100. We give one of the longest period guarantees given on any furnace made. Our service includes repairing on all makes and no job is too large or too small."

**GLEN HARTMAN and ROBERT GARRISON, Hartman and Garrison Garage, Pontiac**  
(Member American Legion)

"In four complete general repairing services we have never seen a time, during our nine years in business here, when it was possible for the car owner to realize such substantial savings as now."

**R. D. YARGER, Electric Motor Service, Pontiac**

"Selling new and used motors as well as conducting a repairing and rewinding service, we serve all parts of Oakland County. This entire area has a most progressive class of citizens, which is the greatest asset any county can have, and by us patronizing Oakland County business and industry they can help to make this one of the first counties to show a general business recovery."

**DAVID H. GEE, Gee Coal Co.**  
(Member American Legion)

"Has been connected with the fuel business in Pontiac for the past 20 years. He attributes the large following he has established to the merchandising of quality fuel at reasonable prices. Mr. Gee stated recently that 'buying at home' enables the purchaser to personally know his dealer as well as to improve general conditions in the county."

**J. A. HUBBARD, Motor Inn, Pontiac**

"We recently installed the Weidenhoff Motor Analyzer, the very latest thing in test equipment, enabling us to determine the things wrong with a motor without removing any of its major parts. This scientific instrument eliminates all guess work."

**H. B. MEHLBERG, Waterford Farm Supply, Waterford**

"Starting as a farm bureau 12 years ago, in 1928 the bureau was reorganized with Oakland County stockholders of this district. Patrons in Oakland County firms works to the advantage of every Oakland County citizen."

**MR. CRECOR, Pontiac Radiator Repair Co.**

"Since 1919 we have been serving garages and the public, doing first class guaranteed radiator work including reconditioning radiators at minimum cost. We are also equipped for boiling-out and testing service."

**M. C. WALSH, Walsh's Quality Bakery, Pontiac**

"It is quite logical to believe that dollars that remain in Oakland County do more good locally than those that leave the county. Doing general baking and making a specialty of banquets, our patronage here has gained steadily."

**M. A. BENSON, Coal and Lumber Dealer, Pontiac**

"Home buying increases home employment and improves local conditions generally. During the 15 years we have been supplying Pontiac and surrounding territory with coal, lumber and builder's supplies, we have acquired great faith in this district's future."

**T. J. FOLEY, Foley and Bearlisle Sand and Gravel, Clarkston**

"We have for 10 years delivered, direct from our pit to consumer throughout Oakland County, all grades of sand and gravel. Our material passes both state and county specifications and each year we have added many new customers. We believe in Oakland County and think the most encouraging patronizing Oakland County firms will receive fine cooperation."

**KENNETH WILLING, Drayton Plains Garage**  
(Member Veterans of Foreign Wars)

"During this recent cold spell I saw more car trouble than I have seen at one time during my 12 years in business here. The necessity of having various jobs done at that time brought to the attention of many the present low repairing prices and many had other postponed jobs done at the same time."
