Introducing "Chef-Ette"

it broils, chops, cooks, roasts, or heats the baby's bottle... electrically!

ELECTRIC COOKERS
\$5.75 to \$12.50

Will roast, bake, broil, steam and stew, from any oven-temperatures. Portable, they will keep food warm for hours.

ELECTRIC ROASTER
\$9.95

This roaster-cooker has a six quart capacity. It will easily roast a large fowl or ham.

There is almost no end to the practical uses for this handy cooking appliance. It resembles a glorified frying pan or chafing dish—but see what it will do! It broils steaks, chops and cutlets, with the delicious flavor characteristic of electric broiling. It roasts even the cheaper cuts of meat, on the Dutch Oven principle, to incomparable tenderness and tastiness. It toasts bread or sandwiches which will not fit into the conventional type of toaster. Used as a hotplate, it heats coffee or warms the baby's bottle. And it is so convenient and compact that it can be used almost anywhere. It operates from any convenience outlet and uses but little more current than an electric light. For all-round utility, this appliance has much to recommend it. Come in and see it today!
