**These Three electric appliances MAKE COOKING A PLEASURE...**

New and modern methods of electric cooking are represented in the three appliances shown here. The electric roaster, first on the list, is a large electric casserole. It stews, roasts, fries, and bakes. It has a six-quart capacity and will easily roast a large fowl or ham, using little more current than an electric lamp. Its colorful design makes it an attractive dish for the table.

The ever popular electric cooker will roast, bake, broil, steam and stew—from any convenience outlet. A complete meal for a family of six can be cooked in the cooker at one time: a roast, a custard, vegetables, potatoes and gravy can be prepared. It uses little current, and—like the electric roaster above—permits you to go off for the afternoon while your evening meal is cooking.

The electric "Chef-Ede" is a new and handy appliance that may be used to broil steaks or chops, roast meats, toast sandwiches, heat coffee, or warm the baby's bottle. Come in and see these appliances today!

REPUBLICANS ARE VICTORIOUS IN LIVONIA VOTING

All Township Offices Won And State Ticket Given Good Majorities

Livonia Township not only retained all its Republican officials in their respective places Monday, but provided something unusual among voting districts of this area—sizeable majorities for all Republican State candidates.

As anticipated, Supervisor Jesse Ziegler swept to an easy victory over his Democratic opponent, Fred Schmidt, 716 to 261. Clerk John Harlan was equally strong, outdistancing John Altama, Democrat, 678 to 214. Other Republicans won as follows: treasurer, Daniel McKinney, 646; William Lomas, 249; highway commissioner, Charles Wolfson, 630; John Travena, 245; Justice of the peace, Charles Schaffer, 516; John Campbell, 244.

Lewis Hawkins, sole Democrat running for constable, was far behind the four Republicans, Walter Trapp, Ray Owens, Edward Howard, and John Whitehead. He polled 208 votes and the others all over 600.

The sticker candidacy of Carl Waack for highway commissioner did not elicit him, but featured a good race for the place between Henry Bradley, Republican, and Fred Garchow, Democrat. Bradley won, 197 to 166, with Waack polling 63. Repeat was given a huge majority, 773 to 185 in Livonia.

Novi Township Has Very Quiet Election

Novi Township's election was one of the most tranquil in Oakland County Monday, being marked by absence of contests. Supervisor Charles Hamilton will return to office another year, as will Clerk Earl Banks and Treasurer George Simmons, who were without opposition.

William Mairs, Republican nominee for highway commissioner, won the office against Ford P. Brooks, Democrat, and Henry Barnhart, Republican running on stickers. Other offices went to nominees without battles.

Farmington Resident Reads Verse To Club

Farmington men had the opportunity to enjoy entertainment by a citizen in their own midst, whose broad talents had been unknown to many, when the Exchange Club met Wednesday noon.

Merion Hubbard Wheeler, a resident of the community for the past three years, delighted his audience with readings of poetry he has written from the time of his boyhood.

Mr. Wheeler's verse covered a wide variety of subjects and moods, and ranged over broad reaches of experience. Among those enjoyed were poems that told of one Lizette, of a cure for backseat driving, reflections on "musical" auto horns, on noises, and on passing of many laws, the last-named appearing on page 2 of this issue.

Committees Chosen On Township Affairs

Personnel of two committees of taxpayers to study Farmington Township affairs has been announced by Floyd Nichols, chairman of a meeting held at Bond School on March 20. After conferences with Township citizens prominent in the activity, Mr. Nichols announced the following:

Committee on finances—Ernest Blanchard, chairman, Elsie McCullough, Frank Steele, Setrak Utjian, Stanley Drake.

Committee on welfare—Isaac Bond, chairman, Albert Grammer, Charles Heise, Mrs. Jennie Lapham, Mrs. Minnie Rubert.

City Justice-Elect

Byron E. Lapham won the office of justice of the peace to fill vacancy at Farmington City's election Monday.

John Barrymore as "Topaze" in Radio Picture

Topaze! It's not November's birthstone. Neither is it a South American humming bird little known outside of Webster's Dictionary.

"Topaze" is simply the name of the leading character portrayed by John Barrymore in the dramatic comedy of that name, produced by RKO-Radio Pictures and coming Sunday, Monday, and Tuesday to the Great Lakes Theatre.

John Barrymore stars in "Topaze" as a timorous tool of political grafters who turns in a jolly sort of racketeering high-binder.

As the naive and thoroughly honest Fench schoolmaster who becomes the dupe of some clever and polished rascals and then outwits them at their own game John Barrymore is said to have an opportunity for comedy even surpassing his "Man From Blankley's" and a chance for characterization equal to anything he has ever done.

Mrs. Spencer J. Heeny entertained at bridge Tuesday evening for Miss Anna Marie Murphy who is leaving for her home at Mt. Pleasant on Friday.

SURPRISE PARTY HELD

Miss Anna Marie Murphy was pleasantly surprised Wednesday evening when Mrs. McCaskill, Mrs. Shadley and Miss Gladys Landesman had planned a kitchen shower for her pleasure at her apartment. Miss Murphy was returning from a dinner engagement. Miss Murphy teaches the second grade in the Farmington schools, and will be married soon.
