## MOST CHICKS SHOWN

East Lansing—Dates for the sixth annual Michigan baby chick show have been set for May 23 to 26 at Michigan State College and those in charge of the show predict an increase in entries, which in previous years have made this show the largest held in America.

Michigan is one of the leading states in the hatchery business and more baby chicks are shipped from Zeeland each year than from any other single point in the country. The hatchery men use the College chick show to exhibit quality stock that has enabled Michigan to build up this important business.
