MORE WORK FOR C. C. C.

Lansing — Eight warehouses and storage sheds, four in the upper peninsula and four south of the Straits of Mackinac, for the purpose of storing all forest fire fighting equipment will be built this summer by the Michigan Emergency Conservation Work camps.

For Public Protection
Every government official or board that handles public money should make public at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principle of democratic government.
