With a decisive victory over their first opponents to spur them on, Farmington High School's football team went out on the home field again Friday afternoon at 3:30, determined to add another triumph. Madison High of North Oak will be the visitors this week, and a stirring struggle is expected.

The Blue and White gridders revealed pleasing power to their followers in the first battle. Four touchdowns and one goal were scored on the visitors, and the victory was well-earned. Practically the entire team showed up well in the initial contest.

A large crowd is hoped for at the game on Friday and at subsequent contests. After ten years the Farmington gridders seem to have a good chance this year to turn in a favorable record. Coach Curtiss Hall has instilled a good spirit in his team, and is desirous that the community show their interest in the boys by supporting them with good attendance at every game.
