WALLED LAKE

Edited by Mrs. L. M. Philp. Phone Walled Lake 67.

CIVIC WELFARE CLUB PLANS FOR WINTER
The Civic Club of Walled Lake met at the home of Mrs. Mae Rhodes for a pot luck dinner and the monthly business meeting. Plans for the winter's welfare work were made. Last year the club purchased hot lunch tickets at the school for the less fortunate children of the community and also clothing. The club worked in co-operation with the Red Cross and clothed many families of the community. Old clothing was remodeled and renovated under the able leadership of Mrs. William Hoyt. Many pairs of stockings, shoes, and overalls were purchased out of the club funds and Red Cross garments were placed through the committee. The club is soliciting new members. The membership fee is \$1.00 per year. To those who enjoy the social life of the club, organization solicits membership; and those too busy to be an active member are invited to be honorary members.

Mrs. Ira Carnes is the local chairman for the county Red Cross and has garments waiting to be made. Many of these garments are used in the community through the Civic Club. Walled Lake scored early in the first period on a steady march up the field, from around the 30 yard line, in their game with Pontiac Reserves last Friday. Walled Lake started on their own twenty yard line. A march up the field was a score, but the point after goal was missed. Pontiac scored in the second period, but missed the point after goal. No further scoring was done. Pontiac was once in a scoring position but failed to score. This week Walled Lake plays Keego Harbor at Walled Lake and the next week they play Farmington at Walled Lake. The last game of the season is with South Lyon at South Lyon.
