But EVERYTHING we sell—milk, cream, cheese, Our Own Make Ice Cream—is of highest grade. We should be serving you.

### THE JOB WENT TO SOMEONE WHO HAD A TELEPHONE

THIS young lady visited the employment office, day after weary day, in vain.

Eventually a job opened. It had to be filled immediately, but she wasn't there then. So the employment manager picked from his list of applicants one who had a telephone, and could be summoned instantly.

Other things being equal, the person who has a telephone and can be reached quickly and easily, is quite likely to be the first called back to work.

Order telephone service today from the telephone business office. Installation will be made promptly.
