Prohibition or Repeal—the strong drink issue does not alter the unquestionable fact that the greatest beverage for your health's sake is pure, fresh, MILK, Pasteurized for protection.

Thirty-six States may vote on Repeal, but in the whole 48, and in all the world, no vote can provide a drink that matches the one we sell—M-I-L-K.

MISS AILEEN SPAFFORD, well-known authority on home-making, whose articles are a feature of the Women's Pages of the Detroit Free Press.

### "AN EXTENSION TELEPHONE IS SUCH A TIME-SAVER"

says Miss Aileen Spafford

MISS SPAFFORD, well-known Detroit Free Press writer, is an enthusiastic exponent of convenience in the home. Recently, in an article in the Women's Pages of the Free Press, she wrote:

"Only people who possess a telephone extension in the kitchen know what a time-saver such an arrangement is."

A kitchen extension telephone makes it easy to place and answer calls, no matter how busy you are, without taking your eyes from the stove, or running to another part of the house. And it affords privacy for your telephone calls when you have guests.

An extension telephone makes an ideal Christmas gift, and costs less than 30c a day! Any telephone business office will take your order. Installation will be made at any time you specify.
