### Out Of The Ordinary

Instances of people going entirely blind  
through neglect to have their eyes tested,  
and glasses fitted if necessary, are excep-  
tionally rare. It is unlikely to happen to  
you.

But it MAY HAPPEN, that you can  
greatly weaken your eyes and lessen their  
strength in later years, by present neglect.  
If you haven't had your eyes tested recent-  
ly, be fair to them and come in at once.

### MICHIGAN BELL TELEPHONE CO.

### "TELL GRANDMA YOU'VE BEEN A GOOD BOY"

How Grandma and Grandpa love to hear their  
grandson's happy, eager voice! And how they  
appreciate a frequent telephone call from you!  
Hearing the voices of loved ones enriches their  
entire day. And talking to Dad and Mother brings  
you the comforting knowledge that all is well "at  
home".

There is no better time than *right now* to enjoy a  
telephone visit with "the folks". Long Distance  
rates are surprisingly low. Ask the Long Distance  
operator for rates to any town.
