MICHIGAN BELL TELEPHONE CO.

JUST SITTING AROUND, ... NIGHT AFTER NIGHT

Margaret and John have lots of friends—and are well-liked by all. But they have no telephone to enable friends to reach them easily.

So Margaret and John just sit around, night after night, missing many good times. Yet, for only a few cents a day, they could have the countless advantages of telephone service.

Besides being a social asset, a telephone helps in finding employment . . . in keeping in touch with one's work . . . in "running" errands. And it offers priceless protection in emergencies, making it possible to summon doctor, firemen or police, instantly.
