To the Editor:

Your Friend And My Friend

In these days of depression, Your friends are very few. So always stick to the one that is faithful, tried and true. In the game of politics, No matter where you go, If you do not please them all, You are a son of a so and so. Now there is Jesse Ziegler, For thirteen years has been O. K. Who has proved himself worthy Of the office he holds today. He would favor friends day or night, In sunshine, snow or rain, So go to the poles, the 5th. of March And vote for Jess again. A supervisor for thirteen years, Who always knew and did his "bit". Isn't he the kind that Livonia needs? Well, I hope to say he is—

A FRIEND
