... you can bake one just like it in your own kitchen with one of these

TRIAL ELECTRIC RANGES

You simply set the dial for the proper temperature, and the electric oven does the rest.

★ We want you to try electric baking in your own kitchen. We want you to enjoy electric cooking without making any investment or being under any obligation. So we have arranged a special trial offer. We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Since this trial plan was begun a short time ago, over 1500 of our customers have taken advantage of the offer. Send in your application for a trial range today!

Moisture in Cereals
Thirty per cent or more of the weight of cereals at harvest time may be water. The moisture content decreases after the crop matures at varying rates in accordance with the weather and storage conditions, until it approximates the average moisture content of the surrounding atmosphere, when the cereals are commonly considered dry.
