

## Pictures Tell Traffic Story

How were traffic accidents reduced by 83 per cent at one Oakland County intersection? Why is a traffic engineer like a "road doctor"? What effect do roads have on Oakland County's economic development?

THESE ARE just a few of the questions answered in a 15-minute color slide presentation now being offered free

of charge to Oakland County civic and service organizations by the Traffic Improvement Association of Oakland County (TIA).

The fast-paced program is designed to acquaint county residents with the progress, problems, and needs of local highway and traffic engineering.

A program chairmen for Oakland County organizations may schedule the free program for their group by contacting the Traffic Improvement Association of Oakland County, 2310 S. Telegraph Road, Bloomfield Hills.

## Dr. Romanik In Academy

John H. Romanik, M.D., of 3160 W. 13 Mile Rd., Farmington, was elected to a fellowship in the American Academy of Pediatrics at its recent annual meeting in Chicago.

To qualify as a fellow of the academy, a pediatrician must be certified by the American Board of Pediatrics as a fully-

qualified specialist in the field of child health. Certification requires a minimum of five years post-medical school experience. The academy is the pan-American association of physicians certified in the care of infants, children and adolescents. The academy now has more than 13,000 members.
