### FOR SAFETY EVERY HOME SHOULD HAVE A TELEPHONE

Because, in case of sickness, fire, accident or other emergency, aid can be summoned at once by telephone.

In emergencies, minutes are precious, and just one such call may be worth the cost of telephone service for a lifetime.

Considering the constant protection . . . the day in and day out convenience and comfort . . . the actual savings in time, steps and money it affords, a telephone more than pays its way.

Orders for telephone service may be placed at the Telephone Business Office
