6:30 Young People's Hour.

7:30 Evangelistic service. "Christ Our Life."

Clarenceville Methodist Church

O. J. Lyon, Minister

Over forty young people gathered at the church last Sunday morning for a surprise Easter service. The service was in charge of Mrs. Zingleman, the president of the young people's group. Raymond Berg presided and Mr. John Kaufman gave the address. Misses Rubert and Stettabower rendered a beautiful duet. A large audience attended the morning service at 10:30. There were baptisms of members and a fine program by the Sunday school.

The remodeling fund is growing. It is planned to begin the improvements on the church about May 1st. An architect from Detroit will have charge of the plans.

Universalist Church

Ralph McCallister, Minister

Due to a change of plans there will not be services at the Universalist church next Sunday. The next meeting will be April 15th and the topic will be as announced for this Sunday: "Being Human and Religion."

MICHIGAN BELL
TELEPHONE CO."HOW SOON CAN YOU PUT
OUR TELEPHONE BACK IN?"

We are asked this question many times daily. For people have missed the convenience and protection of telephone service. They have missed both the social and business advantages of having a telephone in their homes.

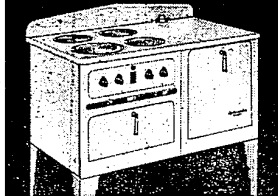

They have found it inconvenient, and often embarrassing, to use a neighbor's telephone. They have learned that the extra carfare, driving expense and cost of public telephone calls would more than pay for a telephone of their own.

YOU NEED PRACTICALLY
NO WATER
to cook vegetables ElectricallyPROVE IT
YOURSELF
on one of theseTRIAL
ELECTRIC
RANGES!

WAX string beans, for example, are cooked on your electric range with only 1/4 cup of water. Simmering over gentle electric heat, the beans are steam-cooked (not boiled)—conserving all their nourishing food values and steaming to melting tenderness. This is the result of using a minimum of water. An excess of water, afterwards poured into the sink (the cooking method ordinarily used) wastes the very things you pay for and

deprives you of important minerals and natural elements.

★ We want you to try this waterless electric cooking in your own kitchen—without making any investment or being under any obligation. So we have arranged a special trial offer. We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense.

Since this trial plan was begun a short time ago, over 1500 of our customers have taken advantage of the offer. Send in your application for a trial range today!
