Know the Thrill of Driving the NEW Ford V-8

A new thrill in motoring awaits you in the Ford V-8. Never have you known a car so alert and capable, so easy to handle, so altogether satisfying in every big and little thing.

Here is a car that you drive for the sheer joy of driving: Silken power answers the touch of a toe—the luxurious comfort of an easy chair invites you to lean back and enjoy every minute of the way.

No other low-price car can give you the same good performance because no other car under \$2300 has a V-type, eight cylinder engine. The superiority of that design is not a matter of words or opinion but a definite, demonstrable fact.

We invite you to drive the New Ford V-8 and let it tell its own revealing story of performance, comfort, and safety.
