We are now selling

Frigidaire
in Farmington

We cordially invite our friends to pay us a visit

It gives us great pleasure to announce that we have secured the sales franchise for the world's best-known automatic refrigerator—Frigidaire.

We now have on our showroom floor—ready for inspection and demonstration—the most sensational and economical Frigidaire ever built. It actually uses less current than one ordinary lamp bulb!

And with this amazing economy there's 1/4 more food space in a cabinet of smaller outside dimensions. There's automatic defrosting—ice trays that slide out at the touch of a finger—cold storage space—room for tall containers. There's new convenience—new beauty—new economy—Frigidaire quality in every part.

We are also showing the new Super Series Frigidaire in Porcelain-on-steel inside and out. This, by all odds, is the finest Frigidaire ever built. Never before have so many conveniences been assembled in one refrigerator.

We cordially invite you to pay us a visit and to see for yourself why you can't afford to be satisfied with less than a genuine Frigidaire.
