STATE OF MICHIGAN  
The Probate Court for the County of Oakland

At a session of said Court, held at the Court House in the City of Pontiac, in said County on the 15th day of May, A. D. 1934.

Present: Hon. Dan A. McGaffey, Judge of Probate.

In the Matter of the Estate of JOSEPH ROOF, Deceased.

Eugene Root, administrator of said estate, having filed in said court petition praying that the time for the presentation of claims against said estate be limited to a certain time and place be appointed to receive, examine and allow claims and demands against said deceased and before said court.

It is Ordered, that four months from this date be allowed for creditors to present claims against said estate. It is Further Ordered, that the first day of October 1934, nine o'clock in the forenoon, at said probate office, be the time and place for the examination and adjustment of all claims against said deceased.

DAN A. MCGAFFEY, Judge of Probate.

## IRISH APPLE PIE

Pare and take out the cores of the apples, cutting each apple into four or eight pieces, according to their size. Lay them neatly in pounded cloves and cinnamon, or grated lemon peel. A little quince marmalade gives a fine flavor to the pie. Add a little water and cover with puff paste. Bake for an hour.

## Scouts Sponsor Dance

The Boy Scouts will sponsor a dance to be held at the Farmington Town Hall Wednesday, May 23. The public is cordially invited.

Proceeds from the dance will be used to help defray the expense of sending some of the boys to camp this summer.

## Housewives!

You clean everything else in the house at this season—what about the INSIDE of the clock on the mantle or in the kitchen? It's even more important than dusting off the outside.

Every clock and watch should be cleaned once a year—they keep good time much longer. The cost is small.

## Correction!

In last week's edition of The Farmington Enterprise, in an advertisement for Earl Vivier's Service Station, Chassis Lubrication was advertised at 56c. This was an error. The correct price was 75c.

## EVERYBODY'S TALKING

# FORD V-8

# 48.3%

OF ALL NEW CARS SOLD IN DETROIT And WAYNE COUNTY DURING APRIL WERE FORD V-8's.

During April, 49.3% of all new car buyers in Detroit chose Ford V-8's. Ford outsold the second car three to one! This is the fourth consecutive month in which Ford sales have topped all others by a generous margin. And no wonder! Ford owners and drivers of cars in every price class are saying some mighty complimentary things about the performance, safety and economy of the V-8. Today is a good day to drive a Ford V-8 and learn why Ford is America's fastest selling car. Remember—Ford prices have not been increased.

# INSTANT HOT WATER

## electrically and at new low cost!

A new low rate is being offered for electric water heating. This is a flat annual rate for year 'round service. You can enjoy automatic electric hot water service for as little as \$2.34 a month. You may buy or rent an electric water heater, whichever you choose. Rental rates are low, and if you prefer to buy the heater, convenient monthly terms may be arranged.

How often have you wanted hot water in a hurry, and found only lukewarm water in the pipes? How often have you gone up and down the cellar stairs to light a manually-operated tank, and then waited for the water to heat? How often have you been obliged to heat water on a stove?

You can end all this annoyance and inconvenience by installing an automatic ELECTRIC hot water heater. With an automatic electric heater, you are assured an abundant and constant supply of water, steaming hot, at a turn of the faucet. Day and night, summer and winter, you have hot water instantly when you need it—for bath and for shower, for shaving, for washing dishes, for the laundry, for housecleaning. There is no waiting, no inconvenience. And you do not need to depend on a furnace coil for hot water, which—contrary to general belief—is an expensive method of heating water, due to the coal burned in the process.
