4,000 Gallons - - -

Not in the spirit of boasting, but just to give you an idea of how many folks think our ice cream is THE BEST, we made and sold over 4,000 gallons of Ice Cream last week-

A small business started only a comparatively short time ago—but we must "have the goods" or it couldn't grow so fast. Have you tried some of our flavors?

-This Year Don't Make This Costly Mistake

Plan this year to keep your cows in the barn, on a Larro ration, until you know you can turn them out without sacrificing profit. Too early pasturing is costly—it will cut milk production, pull down the condition of your cows, and damage the pasture itself. Let us show you how and when grass should be combined with Larro to make the most productive and profitable ration.

You Save

when you **Build With the Best**

How long your building materials last has as much to do with economy as the original cost. Cheap building materials are always the most costly in the end—the highest quality is always the most economical.

Let us help you with your needs for repairing, additions, rebuilding, or new building of any kind.
