Dr. H. H. Savage, Radio Pastor Of Pontiac, Will Conduct Program

The program for the second week in the Gospel text on Grand River and Maple Ave. will be conducted by Dr. H. H. Savage, radio pastor of First Baptist Church of Pontiac and the Evangel Male quartette of Chicago.

It is the belief of the local committee that one of the greatest weeks in the history of Farmington church life is about to be written.

The preacher is of national reputation and has been preaching over the air longer than any other minister in the coast to coast field.

He travels from coast to coast filling the invitations that come to him. During the Lenten meetings Detroit he had the largest audiences of any of the speakers. What a privilege to have this man speak to Farmington audiences for five nights from Monday to Friday.

The music will be in charge of the Evangel male quartette of Chicago. These young men are students of Moody Bible Institute.

During the summer vacation they have been traveling with Doctor Savage. They are closing a campaign in Chicago where some of the great crowds attending the World's Fair have attended some of their services.

W. H. choof is first tenor; Russell A. Case, second tenor; Robert Savage, baritone, and Clyde E. Taylor, bass.

These young men all play instruments, as well as sing. Each night there will be a 30-minute program starting promptly at 7:45.

This alone would be worth traveling a long way to hear.

The public is cordially invited to hear Dr. Savage and the quartette. There are chairs and room to accommodate over 400 at the tent.

Equally so is it important in watch repairing. The delicate mechanism of an expensive watch will not bear the touch of an inexperienced hand.

CHOOSE MICHIGAN FOR YOUR VACATION

Michigan offers both the natural and man-made facilities for almost any kind of vacation one can desire. The vigorous followers of land and water sports... the lover of beauty in nature... the student of history or modern commerce... or the person interested only in doing a good job of resting... all can satisfy their longing in Michigan, at surprisingly moderate cost.

Michigan's tourist and resort business brings large sums of money to the state each year. It provides employment for thousands, and greater prosperity for all of us. We can increase this business further by telling out-of-state friends about Michigan's vacation advantages and by spending our own vacations here.

And, no matter which part of Michigan you visit this summer, banish worry by telephoning home and office frequently. Call ahead for reservations, or to tell friends you are coming. Long Distance calls will add but little to the cost and much to the enjoyment of your vacation.
